YOUR WATER "NO" SAY

DECISIVE GOVERNMENT NOT SO DECISIVE !

- What:** Silent vigil /rally to welcome Minister Tim Holding to Wonthaggi.
- When:** Thursday 4th September 2008 @ 9 am.
- Where:** DSE Desalination Project office in McBride Avenue, Wonthaggi (opposite the whalebone hotel)
- Who:** Your Water Your Say Action Group Inc.
- Why:** Minister Tim Holding is visiting Wonthaggi to meet with YWYS. The focus of the discussion and the vigil is that for over 2 months the State & Federal Governments appear unable or unwilling to make a decision as to whether they will pursue YWYS for court costs.

Why?

The effect of no decision effectively silences the community group as they are now unable to continue to campaign or participate in the EES process. Is this democracy in action?

For a decisive government, why can't they make a decision?
